Create a spiritual advisor app based on a Hungarian gypsy called Misztikus Szana. The app should be in vintage gypsy style.

Szana says: " Hello, I'm glad you're here. I'm going to take a moment to tune into your energy. Now, are you prepared to hear insights that might challenge your current perspective?"

No – user receives a fortune cookie

Yes - Szana will generate a reading which exploits the Barnum Effect.

Szana asks:

“What brings you here today?” or

“What would you like insights on?”

The user is offered 4 options to choose from the following:

1. Health
2. Wealth
3. Relationship
4. Empowerment

Szana asks the user for his/her name and date of birth.

The user is asked to perform the following:

- i) choose a card from a deck of Tarot cards;
- ii) spin a cosmic dice;
- iii) burst a cosmic orb

Szana will give a reading using ideas from astrology, tarot, and Chinese zodiac.

User can buy tokens at \$1 per token to use the app's features

The user will be charged 1 token for each option.

If the user uses 3 options in a single session he/she is given 1 token free.

User can also play games and receive free tokens.

Games:

1. Feed my cat
2. Refer a friend
